

**National Academy of Sciences Transportation Research Board  
(TRB) July-August 2002 issue of TR News**

The National Academy of Sciences Transportation Research Board (TRB) July-August 2002 issue of TR News focuses on the U.S. inland waterway's role in the growth and development of the nation. Included in this issue is an article by David V. Grier of the Army's Institute for Water Resources which discusses alternative approaches for budget decision making on inland waterway investments. A PDF file of the issue follows below. The issue may be obtained by contacting Joedy Cambridge at TRB at 202- 334-2167 or via e-mail Joedy [Cambridge@NAS.edu](mailto:Cambridge@NAS.edu) or from the TRB online publication website at [http://www4.nas.edu/trb/onlinepubs.nsf/web/shrp\\_publications](http://www4.nas.edu/trb/onlinepubs.nsf/web/shrp_publications).
